

# Maya Chair

**SKU** 81127

Long and tall, the Maya Chair features an extra thick, artfully carved seat. Some liken the shape to that of a modern tractor seat. Its comfort will surprise you.

## Overview

Designing and building high quality wood chairs requires an expertise in complex geometry, precision part sizing and specialized joinery. The end result is an elegant structure fit for comfort. It is no easy task.

- Handmade in choice of Cherry, Maple & Paint
- Select from 53 wood and finish combinations
- Deep single-scoop seat for added comfort and streamlined appearance.
- Leg tenons extend through to the seat top. This artisan-level detail allows for use of a wood wedge to secure the legs firmly in place.
- Hand selected, sustainably-sourced and responsibly harvested hardwoods from the Appalachian forest.
- 100% built in the USA by expert artisans and finished to order.
- Our catalyzed lacquer top coat finish is easy to maintain and resistant to household spills from water to wine.
- Solid hardwoods are a superior furniture making material for so many reasons. Tops on our list: beauty, longevity, value, and the health of your family.
