

Huntington Cabinet

SKU 81339

We love the efficiency of the Huntington Cabinet. It offers all kinds of storage but requires only a modest amount of space. The lighted top section offers great space to display dished and serving ware. The buffet is a storage machine with adjustable wood shelves behind beautiful, solid-wood doors.

Overview

Made with local and sustainably harvested solid Appalachian hardwood. Kiln dried lumber is hand selected for grain and color characteristics. Built-to-order by a craftsman who signs and dates the piece. Board-by-board finish process highlights the beauty of the wood. Catalyzed lacquer top coat forms a clear, efficient, highly-protective barrier with a close-to-the-wood feel.
