

Amelia Six Drawer Dresser

SKU 82412

A plinth base, inset drawer fronts, and a sharply beveled edge profile framing the drawers make our Amelia Collection designs members of the midcentury modern set.

Overview

Made with local and sustainably harvested solid Appalachian hardwood. Kiln dried lumber is hand selected for grain and color characteristics. Built-to-order by a craftsman who signs and dates the piece. Board-by-board finish process highlights the beauty of the wood. Catalyzed lacquer top coat forms a clear, efficient, highly-protective barrier with a close-to-the-wood feel.
