Oxford Lift Desk

SKU OxfordLift

It's not exactly exercise, but standing from time to time is better for you than sitting all day! Decide for yourself whether to sit or stand at the push of a button. Optional gallery shelf also helps keep your work at eye-level. Built with domestic wood and an imported metal base.

Overview

Made with local and sustainably harvested solid Appalachian hardwood. Kiln dried lumber is hand selected for grain and color characteristics. Built-to-order by a craftsperson who signs and dates the piece. Board-by-board finish process highlights the beauty of the wood. Catalyzed lacquer top coat forms a clear, efficient, highly-protective barrier with a close-to-the-wood feel.

- Handmade in choice of Ash, Cherry, Maple, Walnut & Paint
- Select from 64 wood and finish combinations
- Finished back allows piece to 'float' in a room.
- Traditional rectangular shaped desk providing a generously sized work area.
- Optional gallery shelf is attached to desk top accommodating monitor(s), wire management, and slide-away storage.
- 30" flush desk top edge on either side enables "bunching" with other Oxford pieces to add a continuous work surface and nearby storage.
- Adjustable sit-to-stand desk mechanism is composed of an imported smooth black steel base with aluminum feet, 2 motors, and a 5 button programmable controller.
- Desk top height range from 28" - 47" enables use with traditional desk chair, counter height or bar height chair/stool, and as a standing desk.
