and time-honored  
craftsmanship create  
beautiful heirlooms  
from start to finish.

Quality in equals quality out. That's why unique, heirloom furniture begins with a quality creation process. Every step developed and controlled to ensure the furniture you fall in love with today remains the furniture you'll love for generations.

From responsible selective harvest methods used by our own timber crews to ensure forest longevity, to our advanced, proprietary saw mills that minimize waste, our vertically-integrated manufacturing process ensures no detail is ever missed and every piece is built to exact specifications.

# CASES

**ALL DINING CASES ARE COMPLETELY CUSTOMIZABLE FROM WOOD TYPE TO FINISH. HUTCHES AND BUFFETS CAN BE ORDERED SEPARATELY. ANY BUFFET CAN BE ORDERED WITHOUT A HUTCH. IF A HUTCH IS PREFERRED, THIS MUST BE ORDERED AS A SEPARATE ITEM IN ADDITION TO THE BUFFET.**

## STANDARD FEATURES

---

### LED TOUCH LIGHTING

Inset into the dining case itself, our LED lighting will never leave you in the dark.

### ENGLISH DOVETAIL JOINTS

Each drawer is constructed by interlocking the wood pieces using the English Dovetail Joint method. This creates a stronger joint connection to provide increased integrity and strength to each drawer to ensure that it lasts a lifetime.

### SOFT CLOSE DRAWER SLIDES

Smooth gliding, full extension, soft close drawer slides are equipped on the underside of each drawer. This allows our dining case drawers to feel elegant, weightless and pristine.

## ADDITIONAL OPTIONS

---

### WINE RACK

Replaces a section of your selected dining case with a wine rack and wine glass holder. Adding a wine rack will give the hutch an altered visual.

### DRAWER LINING

Felt lined drawers or silverware drawer liner.

### SHELVES & DOORS

Customization is endless. We offer the ability to buy additional wood and glass shelves straight from us so you know they'll match perfectly. You can also ask to substitute your doors or shelves with the alternative material. If wood is the standard for the case's doors and shelves, they can be replaced with glass and vice versa.
