MAVIN CASES

Unmistakably elegant.
Unmistakably sophisticated.
Unmistakably yours.

From start to finish, MAVIN infuses a heritage of excellence into every solid wood dining table, chair and case we make. Understanding the furniture we create will be treasured for generations, we strive to ensure every last detail is created to your expectations. Knowing that at every meal, every gathering or every time you simply see it out of the corner of your eye, you'll know it is unmistakably yours. And unforgettably MAVIN.

MAVIN

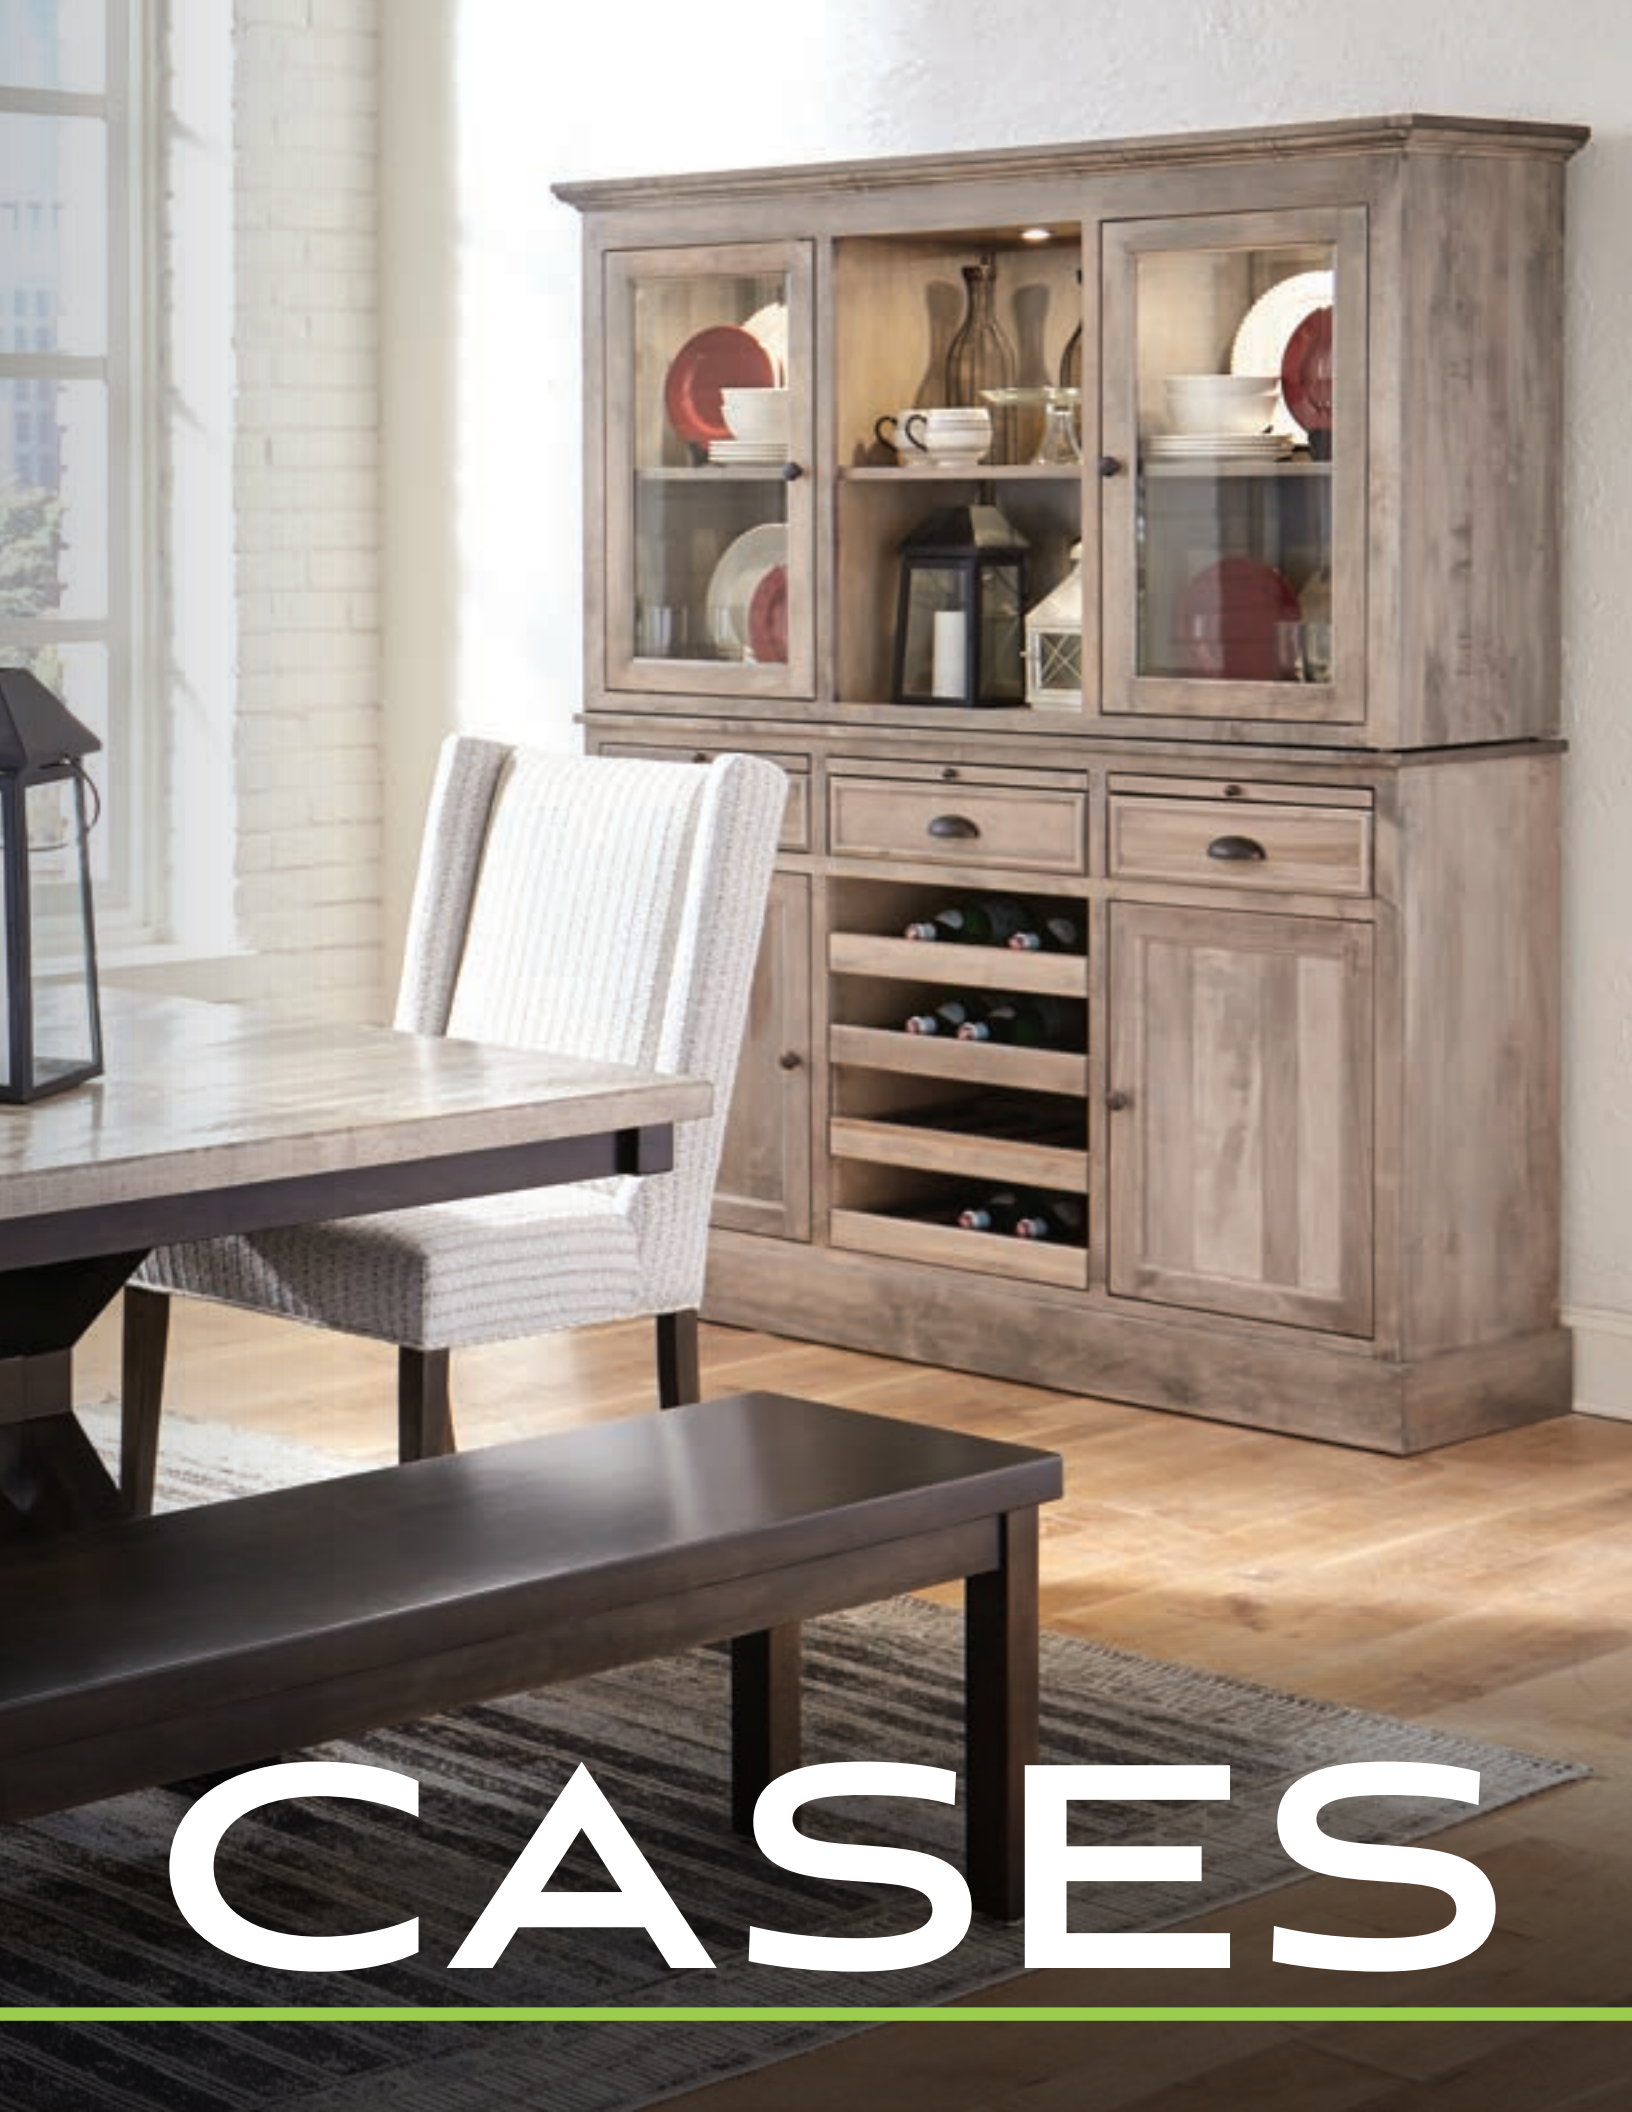
BARSTOOL: Westlake, 24" Swivel, Wormy Maple Wood, 161 Ivory Fabric & 410 Honey Stain

CASE: Kiawah with Cabinet, Wormy Maple Wood, 410 Honey Stain Top & 407 Black Silk Base

FOREST TO FINAL

Zero waste responsibility and time-honored craftsmanship create beautiful heirlooms from start to finish.

Quality in equals quality out. That's why unique, heirloom furniture begins with a quality creation process. Every step developed and controlled to ensure the furniture you fall in love with today remains the furniture you'll love for generations. From responsible selective harvest methods used by our own timber crews to ensure forest longevity, to our advanced, proprietary saw mills that minimize waste, our vertically-integrated manufacturing process ensures no detail is ever missed and every piece is built to exact specifications.



CASES

ALL DINING CASES ARE COMPLETELY CUSTOMIZABLE FROM WOOD TYPE TO FINISH. HUTCHES AND BUFFETS CAN BE ORDERED SEPARATELY. ANY BUFFET CAN BE ORDERED WITHOUT A HUTCH. IF A HUTCH IS PREFERRED, THIS MUST BE ORDERED AS A SEPARATE ITEM IN ADDITION TO THE BUFFET.

STANDARD FEATURES

LED TOUCH LIGHTING
HUTCHES ONLY
Inset into the dining hutch itself, our LED lighting is touch-activated and features adjustable dimming.

1/2" DRAWER THICKNESS
All drawers are built from 1/2" thick solid wood.

ENGLISH DOVETAIL JOINTS
Each drawer is constructed by interlocking the wood pieces using the English Dovetail Joint method. This creates a stronger joint connection to provide increased integrity and strength to each drawer to ensure that it lasts a lifetime.

SOFT CLOSE HARDWARE
Dining cases feature smooth gliding, 3/4 extension, soft close drawer slides mounted discreetly on the underside of each drawer. Case doors are fitted with soft close hinges, ensuring durability, precision and quiet operation.

ADDITIONAL OPTIONS

WINE RACK
Replaces a section of your selected dining case with a wine rack and wine glass holder. Adding a wine rack will give the hutch an altered visual.

DRAWER LINING
Felt lined drawers or silverware drawer liner.

SHELVES & DOORS
Customization is endless. We offer the ability to buy additional wood and glass shelves straight from us to ensure they'll match perfectly. You can also ask to substitute your doors or shelves with the alternative material. If wood is the standard for the case's doors and shelves, they can be replaced with glass and vice versa. Door options include: clear glass, seeded glass or raised panel. Shelf options include: glass or wood.
