Glacier

COLLECTION

W With its mid-century sensibility, the Glacier bedroom suite is a natural fit for your peaceful oasis. The fluted design lets the rich organic quality and inherent luster of the wood shine through. The headboard features an upholstered panel that contrasts nicely with the hard vertical elements of the design. Make your bedroom complete with matching nightstands, a 6-drawer dresser and an impressive Armoire. Solid wood construction, a choice of finishes and carefully chosen hardware make Glacier a stunning addition to any home.
