

The traditional **Pigeon Forge** offers a combination of warmth and functionality to any bedroom. This beautiful sleigh bed is complimented by its well-crafted panels, delicate moldings and refined aprons that reoccur throughout this set. Optional storage rails offer increased storage space in addition to the ample storage provided in this set's grand case pieces. Two smaller drawers on the dresser top provide a charming way to store your more delicate items. Its black finished bail handles with wooden centers are unique features that really accent this set's soft oak finish. A chic, oval, beveled mirror completes this look giving an air of sophistication.
