WRINKLES & VISUAL APPEARANCE

Due to a combination of the elasticity of the covering, the nature of the interior construction and the design for comfortability of the product, the model may exhibit differing levels of wrinkles.

The models need to be dressed on a regular basis to maintain their appearance and the wrinkles should not be considered as a manufacturing defect, but a natural characteristic of the product.

NOTES

- Available in leather or fabric.
- New generation dual power motion recliner: lift/gliding headrest and footrest recliner. Functions operated by power switch located on outside panel of the arm which also allocates a USB charging port.
- A battery pack can be ordered with its own version 830. For order entry please use XX for category and XXX for cover code.
- The armless relax seats have an upholstered switch flap on the side that can be easily hidden between the seats to activate the mechanism.
- Packaging: Cardboard Wrap
