CARE & MAINTENANCE

Your BDI furniture is constructed with carefully selected materials and is designed to provide lasting performance. Regular care will help maintain its appearance and longevity. Here are some general tips for taking care of BDI furniture. Your product surfaces may vary.

METAL, PORCELAIN, & PAINTED SURFACES

Surfaces should be cleaned with a slightly damp (not saturated) cloth or paper towel. If moisture remains, dry the surface with another cloth. If needed, a gentle, non-abrasive cleanser may be used, but be sure to wipe away all cleaner residue and dry the surface with a cloth.
