ASSEMBLY INSTRUCTIONS

### **Marin Table Large**

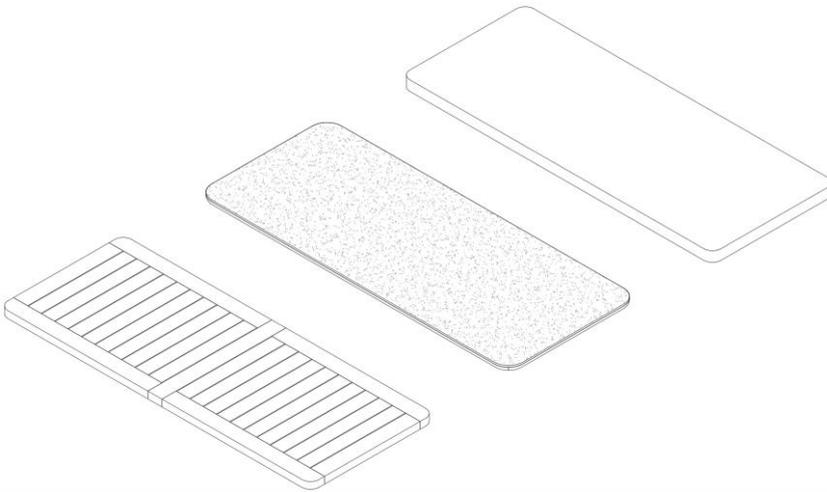

## PALECEK STUDIO

### Warning:

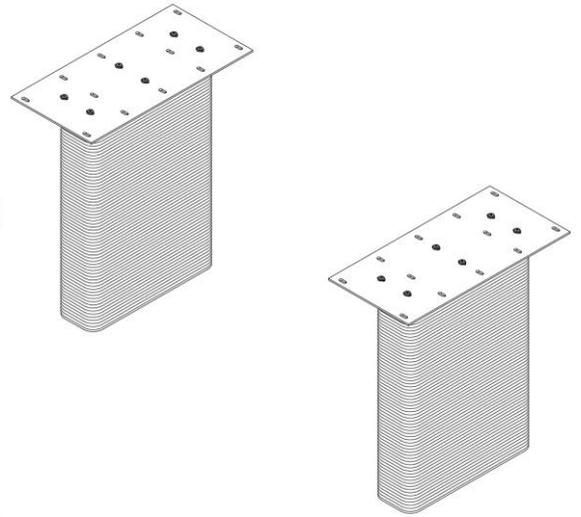

- These instructions are provided for your convenience.
- It is very important that they are read carefully and completely before beginning assembly of this item.
- Do not dispose of any packaging or contents of the shipping carton until assembly is completed to avoid accidentally discarding small parts or hardware.
- These parts are cumbersome and heavy. Therefore, three or more people are recommended in order to prevent personal injury and ensure the parts are not damaged during assembly process.
- Assemble your item on a flat, carpeted area, with plenty of space to work. This will prevent damage and scratches to your floors or the item while assembling the product.

**Table Top**  
**A**

**Table Base with Mending Plate**  
**B**

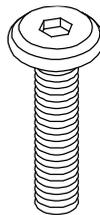

**C**

**14x**

**Flat Washer**

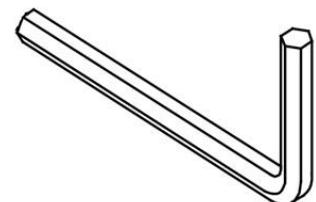

**D**

**14x**

**Hex Bolt**

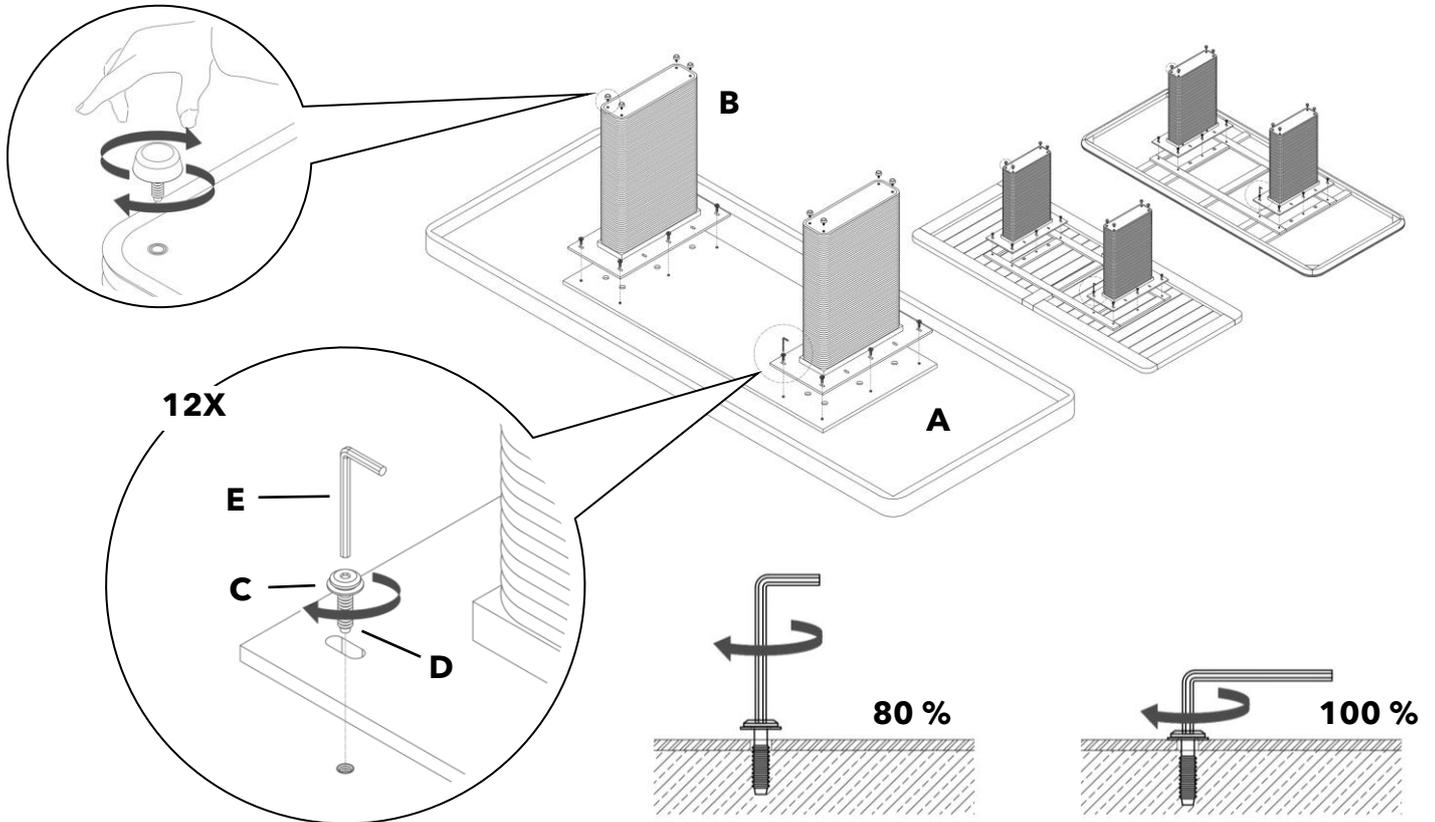

**E**

**1x**

**Allen Key**

## PALECEK STUDIO

### Assembly Steps:

1. Place a soft blanket or cardboard on the floor to avoid scratching the tabletop. Lay the tabletop face down on the protected surface.
2. With the help of another person, align the recessed area of the tabletop with the mending plate on the base.
3. Slide the base slightly forward, backward, or sideways as needed until the bolt holes between the base and tabletop are properly aligned.
4. Partially insert all bolts through the washers and mending plate and into the threaded inserts or pre-drilled holes. This ensures proper alignment before tightening.
5. Once all bolts are in place, use the Allen key to tighten them evenly. Do not overtighten to avoid damaging the hardware or tabletop.
6. With at least two people, carefully lift the table and place it upright on a flat, stable surface.
7. Turn each leveler clockwise or counterclockwise to raise or lower it until the table sits evenly and is stable on the floor.

### Care Instructions:

- Dust with a soft dry cloth.
- Wipe up spills immediately.
- Clean with mild soapy water on a damp cloth.
- Do not use cleaning solutions or abrasives.
