CAUTION: Read the important instructions below before operating your power mechanized equipment
Do not allow children to play on or operate this power mechanized equipment

Do Not plug the power cord into a power outlet until your recliner is fully assembled and in place.

NOTES:

- 1) To help prevent shock and or damage to your product only plug the power cord into a grounded outlet.
- 2) Read the operating instructions carefully before operating your lift chair.

IMPORTANT NOTE

- To avoid any risk of suffocation to children or pets, dispose of all plastic bags immediately.
- To ensure proper performance, occasionally check for loose screws and tighten as needed.
