You can set your table with a lifetime of memories. We take no short-cuts, paying attention to every detail. It's ingrained in us!

Create your own legacy for future generations. The quality of the joinery is often a measure of the quality of the furniture piece.

In life it's the little things that count. To assure no worries while using your table, added protection is standard on the tops. We spray three coats of varnish on every table top.

We go the extra steps. We not only English Dovetail the drawer fronts, we also hand-sand each English Dovetail to a nice fit.

Smile every time you set your table just knowing that there are no wobbles, because every table leg or pedestal base comes with a leveler.

Have you ever had something that feels just right along with looking great? Our chairs are very comfortable, whether you own them with wood or fabric seats.
