QUICK SHIP

Each piece is custom-made
and built by hand from start
to finish in Thomasville, NC.

• • •

The quick ship program delivers our proven best-selling pieces from our factory to your home as quickly as possible. Each piece of furniture is built custom upon order: nothing is pre-made or sitting in a warehouse.

Not only do we hand-build our furniture from start to finish in North Carolina, but everything that goes into our product comes from within 15 miles of our factory. We believe in supporting our local economy while also keeping a close eye on the quality and composition. All wood used to build our frames comes from forests certified by the sustainable forest initiative and all foam is certified CertiPUR. Ask your sales associate how quickly you can receive your custom order.
