A Whole Home Retreat

Following on the heels of the successful Escape collection, Universal Furniture once again joins forces with Coastal Living to create Getaway, a substantial new collection that broadens our capacity to provide consumers with a whole home resource for the coastal lifestyle.

Coastal isn't proximity to water but more of a state of mind whether your thoughts head to the shores of Lake Michigan, the cool, clear waters of Cape Cod, the Pacific Ocean's pounding surf or the warm waters that define the Gulf of Mexico.

REGINA ANDREW DETROIT

Introducing Coastal Living Lighting from Regina Andrew. This new addition to the Coastal Living Home collection allows you to complete the look achieved in the Getaway images. To learn more about the new lighting offered from Regina Andrew contact a Universal Sales Representative.
