## 10 Select your Leather

On Couture Leather frames, you may contrast fabric grades 1-5 for no additional charge - this would be applicable for seat cushions, back cushions, and welts. When you choose to contrast in fabric grades 6-10 or leather, reference the applicable upcharges in the price list. Couture Leather frames do not include pillows but there is room on the bottom of the order form if you choose to add throw or kidney pillows — reference the additional throw pillows pages for pricing.

## LIMITATIONS.....

1. The large tapered leg is designed exclusively for use with the 9" track arm offered for Braxton and Tyson only.
2. On Braxton and Tyson sectionals, when the large tapered leg is specified, it will appear under the arm panels only. All other legs on the sectional will be the medium tapered leg because the proportions are aesthetically pleasing.
3. The tall tapered leg is designed exclusively for use on the 3"W track arm option - Brayden and Tyler frames. The tall tapered leg may not be specified for use with sleepers as the mechanism would be visible.
4. Wedge dimensions can be confusing, be sure to take into consideration the distance required from the corner wall when configuring your sectional.
5. Sleeper sofas are not available in sectional configurations, they are stand alone only.

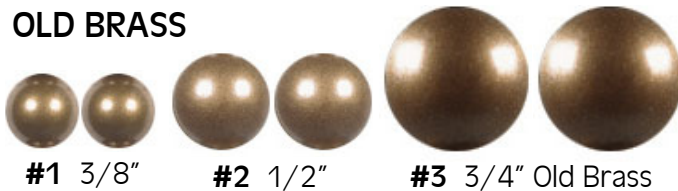

## SLEEPER SOFA MATTRESS.....

Sleeper Sofas include a premium comfort Memory Foam Mattress comprised of conforming Visco Elastic and dense Polyurethane foam, topped with cushioning fiberfill. This breathable, hypoallergenic mattress disperses heat and moisture, while supporting your body by redistributing weight evenly, relieving pressure points and thus allowing tense muscles to relax comfortably. The unique recovering memory foam slowly springs back into shape.

## OPTIONAL NAILHEAD TRIM.....

Couture Leather frames have the option for nailhead additions in sizes 3/8-inch, 1/2-inch and 3/4-inch. The nails will be applied head-to-head, no spacing, to the applicable areas - Panel Arm (within the welt) or Track Arm (two rows outlining the track), and around the base frame for the upholstered base, tapered leg, or bun foot base options. In addition, when you select applicable arm and base options, you may select arm only, base only, or both arm and base locations. The nailheads will be one size, one color, and the upcharge is by frame type as noted in the price list.
