Hable® for Hickory Chair™ Fabric Collection

The Hable® for Hickory Chair fabric collection was introduced in 2011 as Hickory Chair celebrated its 100th Anniversary. This partnership is the first in our industry to pair an American textile brand with a domestic furniture maker. A group of thoughtfully designed woven fabrics and distinctive prints by Hable® Construction have been created in collaboration with our team that are dynamic, classic and only available through Hickory Chair. Each fabric in this exclusive collection is made in North Carolina. These energetic fabrics designed by Susan Hable® were carefully created to accentuate and complement the color palette of our existing Hickory Chair fabric assortment.

Hickory Chair Monogram Program

(Please photocopy this form. This form must accompany all Monogram orders.)

Dealer Name	Purchase Order No.
Sales Representative Name	Date
Upholstered Item	Quantity

1. Circle font style number

2. Circle thread color

3. Arrangement: Horizontal Vertical

4. Specify the location of the monogram e.g., inside back of cushion or top of cushion. (Standard placement of centering on the designated surface will be used unless specified otherwise.) _____

5. List the character (letter or number) in the order they should appear (left to right or top to bottom). _____

6. Select the size of each character. They may be the same size or staggered. (Note: 5" is the standard height. The minimum is 1/2". For anything over 5" a Special Construction quote must be requested for availability and up-charge.) While the max size letter is 5" high, we may have to scale one or more of the letters down a bit so 3 letters still fit in a max 10 1/2" width. It depends on the font style chosen and the format (i.e.: all the same size letters, all caps, etc). If specifying all 3 letters at 5" and this exceeds the 10 1/2" overall width, the monogrammer will use their discretion in determining how to adjust the monogram to fit within the 10 1/2" (typically by making the center letter 5" and scaling down the letters on either side to fit).

7. UPPER or lower case:

Character 1	Character 2	Character 3	
UPPER lower	UPPER lower	UPPER lower	Character 1
			Character 2
			Character 3

Special Instructions (subject to availability and additional up-charge).

Please note: Monogram orders are not subject to cancellation or return. Hickory Chair cannot accept orders for licensed trademarks, logos or registered items.

Wood Finish Options

Stained and painted wood finishes are designed to accentuate the natural characteristics and beauty of the wood while achieving a particular look and palette. Due to the unique nature of each species, color and grain pattern variations should be expected which enhance and accentuate the individual qualities of each item.

Similarly, our antique finishes are hand applied by skilled artisans utilizing special tools and techniques to replicate authentic distressing and character markings as found on antiques. Every piece of wood will speak its own individual language.
