## WOOD SPECIES

MAVIN bedroom collections are available in eight different wood species – each with its own unique characteristics and nuances. For detailed information about our wood types, reference our Wood Expectations Guide or visit [MAVINWOODS.COM](http://MAVINWOODS.COM).

## FINISHES

MAVIN bedroom collections are available in a wide array of paints and stains to allow you to create a truly customized look. Once stain and/or paint has been applied, each piece is finished with a moisture- and chemical-resistant, final silky topcoat varnish that has been engineered to safeguard the beauty and integrity of heirloom quality furniture.

For comprehensive information on color options, visit a MAVIN Creation Center at your local store. Always view actual samples for color accuracy.

## ADDITIONAL CUSTOMIZATION

A variety of fabrics are available for upholstered beds, nailhead color options are available for select beds, and hardware alternatives are available for every selection and collection. Every detail is tailored to you.
